

CHAMOIS

REGULATION FOR ACCESS TO THE PICNIC AREA LAKE OF LOD

1. Available services

The equipped area is a space used for tourist-receptive enjoyment, which has various services:

fountains with drinking water

tables and benches

barbecues

sanitary facilities

2. Opening Period

The minimum opening period of the area is from 1 June to 8 September, according to the opening period of the facilities, except in the event of any exceptions due to impracticability. Use of the facilities is permitted upon payment of a fee defined annually and displayed at the entrance.

3. Rules of Use

Table occupancy: It is forbidden to occupy several tables without having paid the relevant fee. It is also forbidden to reserve tables or cookers for persons not present in the area.

Pets: It is forbidden to bring dogs without a leash. Owners are obliged to collect and dispose of their pets' organic waste in the waste bins.

Personal equipment: It is forbidden to bring chairs, tables and similar items into the area without authorisation.

Camping and spending the night: It is forbidden to camp and spend the night in the area.

Lighting fires: It is forbidden to light fires or bonfires outside the barbecues set up for this purpose. In barbecues, it is compulsory to use available wood and embers, respecting the trees, fences and structures serving the area. Violators will be liable to a fine under the law.

Respect for the environment: It is necessary to respect what is available in the area, respecting the spaces and equipment. It is forbidden to alter the natural environment (e.g. by cutting logs, uprooting flowers and plants, noise pollution). It is forbidden to leave rubbish, to avoid deterioration of the area and the creation of potential dangers, especially for children. Users must leave the spaces used clean, using the appropriate containers.

4. Sanctions and Damages

In the event of infringements of the regulations or improper behaviour, the caretaker is authorised to request the intervention of the Local Police or Public Force to remove or sanction offenders.

Any damage found will be charged to the transgressors and violations will be punished in accordance with the law.

5. Regulatory References

For anything not expressly referred to in the Regulation, reference is made to the legislation in force.
